

New Vibratory Machine 60 lt

VIBRATORI CIRCOLARI

Finchem circular vibrators are designed and developed for finishing processes such as deburring, grinding, burnishing polishing. These machines have been developed and set up specifically for our processes SilverChem and GoldChem.

I vibratori circolari Finchem sono progettati e messi a punto per processi di finitura quali: sbavatura, levigatura, lucidatura, brillantatura. Queste macchine sono state sviluppate e messe a punto espressamente per i nostri processi SilverChem e GoldChem.

Goldchem Silverchem

Polyurethane bowl 60 lt Vasca in poliuretano

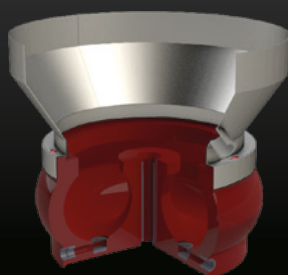

CHARACTERISTICS CARATTERISTICHE	60 lt
DIMENSIONS Dimensioni	700x700x900 mm
WEIGHT Peso macchina	190 Kg
POWER Potenza elettromotore	1,30 kW

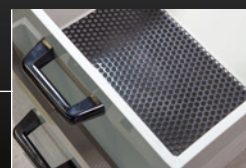

Optional

> Stainless steel hopper 60 lt

> Trolley screener

> Control panel support
