New Vibratory Machine 15 lt

VIBRATORI CIRCOLARI

Finchem circular vibrators are designed and developed for finishing processes such as deburring, grinding, burnishing polishing. These machines have been developed and set up specifically for our processes SilverChem and GoldChem.

I vibratori circolari Finchem sono progettati e messi a punto per processi di finitura quali: sbavatura, levigatura, lucidatura, brillantatura. Queste macchine sono state sviluppate e messe a punto espressamente per i nostri processi SilverChem e GoldChem.

Goldchem Silverchem

Polyurethane bowl 15 lt

Vasca in poliuretano

CHARACTERISTICS Caratteristiche	
DIMENSIONS Dimensioni	600 x 600 x 900 mm
WEIGHT Peso macchina	112 Kg
POWER Potenza elettromotore	0,44 KW
POWER SUPPLY Alimentazione	220 V

Optional

> Stainless steel hopper 15 lt

> Trolley screener

> Control panel support
